

## Bays Canoe Team

### Yarra Night Paddle Saturday 7 May 6pm to 11pm

See the City Lights from the Yarra  
Get to paddle the Yarra at night  
Explore Herring Island  
Have a Hotdog and a drink on the island

The Bays Canoe Team are again running the ever popular Yarra night paddle. We will be launching our boats from the Hawthorn Rowing Club and paddling down river to Herring Island where we will stop for a hotdog and a drink.

**\*\*\*\* For all groups attending \*\*\*\***

To make this event run smoothly we are looking for helpers from each group of paddlers that can help run the event. We need people that can help cook the expected 300+ sausages on Herring Island and also help in getting the paddlers in and out of the water. Also please make sure you can organise the drop off of your group at Hawthorn and pickup from the city (it's a long paddle back and we will not be organising to move cars and trailers).

The cost of the event is only \$6 (covers the cost of the sausages & permits). This year you can pay by Creditcard.

All paddlers **MUST** have achieved the Level 1 in the craft they will be paddling.

You will need to organise for each paddler

- Canoe, PFD, Paddle and Helmet (helmets are required for this event)
- Lights on the front and back of each boat (one flashing white light and one constantly on) – this is usually a torch in a plastic bag taped to the boat.

Each Paddler must bring

**A completed Personal Information Record. Without this you are not allowed on the water**

- A change of clothes (some people have known to get splashed)
- A drink bottle with water
- Wet weather gear if rain is forecast (a wind & water proof jacket)
- Enclosed shoes (old trainers). Thongs or Crocks are not acceptable.

If you are interested in joining us on the night paddle, then please book on line via <http://www.trybooking.com/KOMK>

Closing date for applications is 1st May, unless we reach the maximum before then.
